

ALLOWANCE VOUCHER

We believe that children learn financial responsibility by handling their own money. Therefore, we want all foster children to receive a weekly allowance.

1. A set allowance paid at \$1 a day (totaling \$28, \$29, \$30 or \$31 dollars depending on the month), should be given monthly.
2. Check off the month in which the allowance is being recorded.
3. Record the amount given on the line below next to the child's name. Have the child initial the form as verification that the money was given – if age appropriate.
4. **Return the voucher to your caseworker at the end of each month.**
